ZULAFLY

ZulaFly means Visibility.

A bustling workplace is a sign that business is going well. When your company thrives and production booms, do valuable assets or equipment occasionally disappear in the shuffle? ZulaFly allows you to tag and track what's most important to you. What if you could keep precise tabs on each expensive tool or piece of equipment at a vast facility or jobsite? What if you spent more time working and less time searching? The newfound productivity and efficiency would undoubtedly affect your bottom line. Real-time reports and custom dashboards help you see everything just the way you want it. Soon you'll be watching inventory replacement costs dissolve, which converts to extra cash and creates growth.

Security for your Equipment.
